Help IPCC raise funds for the
'Save the Bogs Campaign'

IPCC, Lullymore, Rathangan, Co. Kildare R51 V293. Website: www.ipcc.ie

Hello and welcome to the Irish Peatland Conservation Council's (IPCC) Fundraising booklet. This booklet is designed to inspire you to help protect Ireland's peatlands by fundraising for the 'Save the Bogs Campaign'.

The three ingredients to fundraising are imagination, enthusiasm and YOU! This booklet will help fire your imagination by suggesting ways you can raise funds with an A to Z of fundraising ideas.

Anyone can volunteer their time or perform a dramatic event to raise money and help save Ireland's wonderful peatlands and the amazing and unique wildlife that they support. Please don't hesitate to contact the IPCC if you would like to discuss any of these ideas further. You can contact us by email at bogs@ipcc.ie or call us on **045 860133**.

For information on the work of the IPCC please visit www.ipcc.ie. IPCC is a registered charity (CHY6829).

Good luck and have fun!!!

We look forward to receiving your donations.
